

Surgical Center of the Rockies COVID 19 Testing Instructions

- The testing site is located at 1633 Medical Center Point
- Patients should follow the signs for the drive-up screening in front of the main building
 - Once they drive through the line, they will inform the screener that they need pre-operative COVID-19 Testing
 - The Optum team will collect their driver license and insurance card.
 - The patient will be directed to a designated parking spot near the entrance.
- An Optum clinical team member will come out to the patient's car, collect the specimen, and give the patient back their license and insurance card.
- The specimen will be sent to LabCorp, and the results will be reported to the ordering provider.
- Optum's hours of operation are Monday-Friday, 7:30 AM to 5:00 PM, Saturday-Sunday 7:30 AM to 12:00 PM

*****Patient MUST GO EXACTLY 5 DAYS prior to their surgery.**
